RETURN TO DESIGN FILE

Certain figures are available in more than one size and style. To determine the proper figure size, refer to the trophy selected. The last digit on all trophy numbers indicates the figure size. Be certain to select corresponding figure size.

Because of extra parts, or combination construction, certain figures necessitate higher prices, and we have shown the additional cost beneath each figure. When an extra priced figure is used on a trophy, the extra price must be added to the listed price of the trophy:

Example: No. 861B-3 Mixed Doubles..... **$18.50**
Extra Price as listed..... **1.50**
$20.00

All figures are interchangeable and unless your choice is specified, trophies will be furnished as pictured.
